

ES-335, Olive Drab

The Gibson ES-335 DOT is the cornerstone of the Gibson ES™ line-up. From its inaugural appearance in 1958, the Gibson ES-335 set an unmatched standard. The pearloid dot inlay rosewood fingerboard on a hand-rolled Rounded C mahogany neck reminds players where it all started. The body's maple center block helps keep feedback at bay while also improving sustain. The Calibrated T-type humbucking pickups are paired with our hand-wired control assembly, complete with Orange Drop® capacitors. Tuning stability and precise intonation are provided by the Vintage Deluxe tuners with Keystone buttons, paired with lightweight Aluminum ABR-1 Tune-O-Matic™ bridge and Stop Bar tailpiece. A hardshell case is included.

Finishes Available

Olive Drab
