

Les Paul Special Tribute DC, Worn Ebony

The fans spoke, and we listened! The Gibson Les Paul Special Double Cut adds a rhythm P-90 and 3-way toggle to the very popular Les Paul Junior and boasts vintage styling with a mahogany body and maple neck with a rosewood fingerboard. Available in a variety of striking colors, the satin finishes lend a comfortable feel to the guitar and a quick feel to the neck. The two, classic P-90 pickups are reverse wound/reverse polarity for hum-canceling when combined, and they are installed along with the controls in a top-mount, 5-ply pickguard design. The compensated wrap around tailpiece provides classic tone, performance and sustain.
