

FOR EVERY STAGE

Embassy Bass, Graphite Black

Ever since it was first introduced in 1963 the Epiphone Embassy Bass has been a player favorite, and now it's back and better than ever. Featuring an asymmetrical solid mahogany double-cutaway body, a 34" scale mahogany neck capped with an Indian laurel fretboard with 20 medium jumbo frets, a 2 x 2 headstock design for improved balance, and a pair of powerful ProBucker™ 760 humbucking pickups, along with master volume and tone controls, as well as a pickup blend knob for outstanding tonal versatility.

Finishes Available

Graphite Black, Sparkling Burgundy, Smoked
Almond Metallic, Wanderlust Green Metallic
