

Les Paul Classic, Exclusive, Olive Drab

The Gibson Les Paul™ Classic combines the early 60s style Les Paul model with some functional and time-tested modifications. As expected, the Les Paul Classic is crafted with a mahogany back and maple top coupled with a SlimTaper™ mahogany neck and bound rosewood fingerboard. BurstBucker™ 61R & 61T zebra, open-coil pickups provide classic Gibson tones from the era with a bit of extra punch thanks to the open coils. The control assembly features four push-pull pots which provide choices of coil tapping, phase switching, and pure bypassing for functional and versatile sonic variety.
