

# 1968 Les Paul Standard Goldtop Reissue, 60s Gold

*Gibson Custom Shop is the pinnacle of craftsmanship, quality, and sound excellence. Each instrument celebrates Gibson's legacy through accuracy, authenticity and attention to detail.*

The Gibson Custom Shop 1968 Les Paul Goldtop Reissue is a meticulously-crafted replica of a "first batch" example from 1968, identified by a crown inlay on the face of the headstock. The distinctive look and scarcity of this variation makes it extremely desirable to collectors. Custom Shop has proudly recreated it in exhaustive detail, from the 14-degree headstock angle to the thick cutaway binding to the precise contours and profiles throughout. It offers not only a vintage ownership experience, but a completely inspiring sound and feel with every chord and strum.
