

FOR EVERY STAGE

Joe Bonamassa 1960 Les Paul Standard, Norm Burst

The Epiphone Joe Bonamassa 1960 Les Paul Standard "Norm Burst" is Joe's seventh signature model and is based on the rare 1960 LP Standard that Joe discovered at Norm's Rare Guitars in Tarzana, California. The limited-edition "Norm Burst" is modeled after the rare vintage 1960 Les Paul™ made during the final year of the LP Standard's original production run. Featuring ProBucker™ humbuckers, a AA maple cap with flame veneer top, and Mallory™ tone caps. Includes a vintage-style case. Available for a limited time.
