

Les Paul Axxess Custom w/ Ebony Fingerboard Floyd Rose Gloss, Ebony

Gibson Custom Shop is the pinnacle of craftsmanship, quality, and sound excellence. Each instrument celebrates Gibson's legacy through accuracy, authenticity and attention to detail.

The modern player's choice! The iconic Les Paul Custom is re-imagined in this Axxess version, featuring the new Apex headstock for added strength, redesigned contours for added comfort and fingerboard access, and powerful coil-tapped humbuckers for sonic versatility and strength. The Floyd Rose Tremolo and locking nut provide tuning stability during the craziest dive-bombs, while the solid Ebony fingerboard retains clarity in every fretted note and chord. But with all the added features, the Les Paul Custom Axxess is still a Custom Shop "Black Beauty" at the core, with showstopping looks thanks to its multi-ply binding, pearl appointments and gold hardware.
