# Dave Mustaine Flying V EXP, Silver Metallic

Dave Mustaine is the legendary guitarist, vocalist, songwriter, and founder of the multi-platinum selling and Grammy® Award-winning band, MEGADETH. His new Gibson Dave Mustaine Flying V™ EXP Artist model delivers the powerful, heavy sound and exceptional playing performance that he demands. The 25.5” scale mahogany neck has an ebony fretboard with a compound fretboard radius, 24 medium jumbo frets, mother of pearl “teeth” inlays, an Explorer-style headstock with Grover® Mini Rotomatic® tuners with Kidney buttons, and a Graph Tech® nut. The mahogany Flying V-style body is equipped with a Tune-O-Matic™ bridge, a Stop Bar tailpiece, and a pair of Dave Mustaine’s signature Seymour Duncan® Thrash Factor pickups. The Silver Metallic nitrocellulose lacquer finish is complemented by black chrome hardware. A hardshell case is also included.
