

## Ace Frehley Signature Electric Guitar Strings

As a guitar icon, Ace Frehley has inspired millions of guitarists with his playing. And these strings are just as amazing. Wound with nickel-plated steel over a “hex” core of premium Swedish steel, the Ace Frehley Signature Strings feature a crisp response with lots of sustain.

Just like Gibson instruments, authentic Gibson strings are American made, world played. And, like our instruments, our genuine strings utilize strict quality control methods to ensure tone, durability and consistency.

All Gibson strings feature specs absolutely unique to Gibson and are factory sealed to guarantee freshness in every set.
