

MESA/BOOGIE[®]

FIVE-YEAR LIMITED WARRANTY TERMS & CONDITIONS

(Amplifiers & Cabinets)

Congratulations on your purchase of a new ***MESA/BOOGIE*** amplifier or cabinet! Welcome to the Home of Tone. Your new ***MESA/BOOGIE*** product is covered by one of the industry's best warranties, as well as ***MESA/BOOGIE***'s renowned customer service and self-help resources – Which, in most cases, can provide you the means to quickly resolve the issue personally, so you can get back to playing!

IMPORTANT: PLEASE RETAIN YOUR ORIGINAL SALES RECEIPT, AS IT IS YOUR PROOF OF PURCHASE VALIDATING THIS LIMITED WARRANTY AND WILL BE REQUIRED FOR WARRANTY SERVICE COVERAGE.

MESA/BOOGIE, a division of Gibson, Inc. warrants to the original purchaser that this ***MESA/BOOGIE*** amplifier or cabinet, if used under normal operating conditions, as determined at Gibson's sole discretion, will be free of defects in parts and workmanship for a period of five (5) years. Speakers used within your ***MESA/BOOGIE*** product are warranted for three (3) years, while all included light bulbs, vacuum tubes, cables, and accessories (excluding batteries) are warranted for six (6) months. This Limited Warranty applies only to the original retail purchaser when purchased from an Authorized ***MESA/BOOGIE*** Dealer and is subject to all other limitations set forth herein.

All warranty periods are effective from the original date of retail purchase so long as the original owner can provide the authorized warranty service provider with the original sales receipt showing purchaser's name, date of retail purchase, model type, product serial number and dealer name and address. All warranty claims are subject to inspection by ***MESA/BOOGIE***, a division of Gibson, Inc. or their local Authorized ***MESA/BOOGIE*** Service Center to determine improper operating conditions or abuse. Products determined to be defective by ***MESA/BOOGIE***, a division of Gibson, Inc. will be repaired or, at Gibson's sole discretion, replaced by another similar unit without charge to the owner. All transportation and insurance costs associated with warranty service and repairs are the responsibility of the purchaser.

Three steps to follow should you encounter an issue:

STEP 1 - Self-Help Resources

Most problems can be self-resolved in minutes by referring to the troubleshooting guide in your owner's manual or online at <https://www.gibson.com/support/> where you will find answers to a wide range of FAQs, tips, and service resources.

Tube Amp Owner Maintenance

Your ***MESA/BOOGIE*** amplifier may utilize vacuum tubes, which, like a light bulb, wear out with use and require some periodic maintenance. Most tube amplifier problems are caused by tube failure and can usually be cured simply by replacing the faulty tube(s). The physical act of replacing a faulty tube, much like replacing a faulty light bulb in your home or a broken string on your guitar, is a simple process for which the owner is responsible. Replacement of tubes outside their own warranty period is considered routine maintenance and is also the owner's responsibility. Damage to the amplifier caused by out-of-warranty tubes, while rare, may not be covered under this warranty. This warranty becomes void if any tubes other than genuine MESA tubes are used. Abuse, misuse, or failure to properly maintain your amplifier or cabinet may, at ***MESA/BOOGIE***, a division of Gibson, Inc.'s discretion, invalidate this warranty.

STEP 2 - Dealer Service & Troubleshooting Support

The ***MESA/BOOGIE*** Dealer from whom you purchased your ***MESA/BOOGIE*** product should always be the first point of personal contact. In some cases, they may also be a ***MESA/BOOGIE*** Authorized Service Center, or at minimum, they are trained to troubleshoot and assist you in resolving most basic issues quickly, and/or determine if more in-depth warranty service may be required by an ***MESA/BOOGIE*** Authorized Service Center.

STEP 3 - Locating an Authorized Service Center

In those rare cases when self-help resources and/or connecting with your ***MESA/BOOGIE*** Dealer does not resolve the problem, ***MESA/BOOGIE*** provides several convenient options to assist you in finding the best Authorized Service Center option:

1. Obtain a recommendation from your ***MESA/BOOGIE*** Dealer as to the Authorized Service Center they use.
2. Contact the applicable ***MESA/BOOGIE*** Customer Service Department for your country (listed below) for a recommendation.
3. If you reside in the USA or Canada, you have the option to send your product back to ***MESA/BOOGIE***, a division of Gibson, Inc. for repair (details below).

Our reputation relies upon your lasting satisfaction with our products and our service.
