

## Baretta, Custom Graphics, "Viper", Snakeskin Green Blue Fade

Retro fashion trends wouldn't be complete without some snakeskin, and this Baretta, with "Viper" graphics designed by Kramer Custom Graphic Artist Chris Stemmer, really delivers! Shredders chose to rock snakeskin boots, belts, and, of course, snakeskin Kramers! The Baretta is a tribute to one of the most iconic and original guitar designs in rock. Features an alder body, satin-finished hard maple neck, a single Seymour Duncan® JB™ zebra-coil humbucker, and a Floyd Rose® 1000 series tremolo with an R2 1000 series locking nut. It also comes equipped with an EVH® D-Tuna® and a Floyd Rose LRT-L40 Trem Stop, and it is finished in an eye-catching Snakeskin Green Blue Fade. A premium gig bag is also included.

### Finishes Available

Snakeskin Green Blue Fade
