

FOR EVERY STAGE

ES-335 Traditional Pro, Exclusive, Inverness Green

The ES-335 is Epiphone's version of the historic ES-335 that has been wowing guitar players all over the world for over six decades. From its inaugural appearance in 1958, the Gibson™ ES-335 set an unmatched standard. Our Epiphone ES-335 is no exception. It is simply one of the best deals today for guitar players who want the classic sound of an ES-335 at an accessible price. The ES-335 is crafted with a layered maple top, back, and sides coupled with a solid maple tone block to create the amazing sustain, warmth, and resonant tone that players crave in a semi-hollow instrument. Epiphone's Alnico Classic PRO™ Humbuckers™ delivers a wide range of vintage sounds, and the push/pull coil tap Volume controls provide even more sonic flexibility. The rounded C neck profile is extremely comfortable and easy to play, and the headstock features the 60s style Kalamazoo shape. Optional hardshell or EpiLite™ case available.
