

## Earl Scruggs Signature Banjo Strings

Earl Scruggs means banjo playing at its best. And Earl Scruggs Signature Banjo Strings mean the best banjo strings. These strings have a crisp sound, with excellent note definition. The range of light to medium gauges gives your playing style extra flexibility.

Just like Gibson instruments, authentic Gibson strings are American made, world played. And, like our instruments, our genuine strings utilize strict quality control methods to ensure tone, durability and consistency.

All Gibson strings feature specs absolutely unique to Gibson and are factory sealed to guarantee freshness in every set.
