

B.B. King Signature Electric Guitar Strings

Nobody plays the blues better than the legendary B.B. King. The unique string set is B.B.'s own special gauge, giving a firm, yet extremely playable feel. The pure nickel wrap yields exceptional tone, from the lows all the way to the highs. The premium Swedish steel hex core means your guitar tunes up fast and stays in tune longer.

Just like Gibson instruments, authentic Gibson strings are American made, world played. And, like our instruments, our genuine strings utilize strict quality control methods to ensure tone, durability and consistency.

All Gibson strings feature specs absolutely unique to Gibson and are factory sealed to guarantee freshness in every set.
