

# CSEdWeek Showcase Choice Board

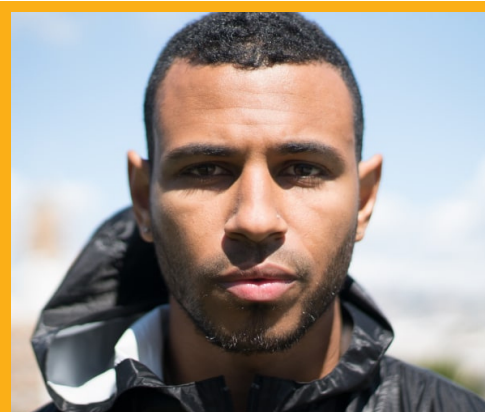

**SHOWCASE YOUR CHALLENGE PROJECT** and bring your learning to life by selecting one option from the choice board below:

Choice 1: Create a YouTube video that details your learning through the project challenge.

Choice 2: Create a blog or a social media campaign that highlights your project and learning journey.

Choice 3: Create a digital portfolio using Bulb or Google Slides that showcases your project and learning journey.

Meet Brandon Tory, an emerging hip-hop artist and Google software engineer who designed "Little Hackers" to teach coding.

Choice 4: Code or create a simple webpage to showcase your challenge project. Consider Replit or Wix.

Choice 5: Showcase your project in a format of your choosing.

**SUBMIT THE URL OF YOUR PROJECT SHOWCASE HERE** by 12.31.22 for a chance to win a \$100 gift card.

*(Please exclude or blackout personal information before submitting.)*
