from Code.org

# Teaching CS Discoveries

## Module 2: Navigating Code.org

This module is designed to orient you to the tools you will use to support student learning while teaching CS Discoveries.

You will:

- Navigate the Code.org website and teacher tools.
- Set up a classroom section
- Locate and use course lesson plans and teacher resources.
- Learn how to access support while teaching the course.

Suggested time: 60 minutes
