How Challenges Work:

1. High School Students Sign Up 🚀
2. Choose a Challenge Topic 🔍
3. Work in Teams or Solo 🧑🏻🧑🏻
4. Submit a Project ✨
5. Earn Points (+ maybe \$\$\$) 🏆

Example Execution Plan:

- Teens join a 4- to -5 week Challenge
- Build industry knowledge daily with skillbuilders (10 mins)
- Record learnings, reflect, and repeat

Challenge Yourself. Change the World (... and win big!)

The best part... **it's 100% Free to participate!**

Afterschool Programming

- Advance self-directed digital skillbuilding for teens
- Encourage development of social and technical skills
- Introduce industry projects & real-world problem solving

Bonus: Year Round Learning

- Motivate career exploration via archived Challenges

Community Benefits

- Teens can earn rewards for winning projects & recognition
- Teens can receive guidance from industry professionals
