

## PROFESSIONAL LEARNING SERIES

This multi-layered course sequence combines video content provided by Kasey Bell, Author of Blended Learning with Google with self-paced, on-demand mini-courses on the Learn Next platform created by InspireEd.

Educators can receive certificates from NAF that validate professional learning (PL) hours earned. The certificate can be used in many states to obtain CEU credit for re-certification purposes. Certificates can be provided upon completion of each unit. Instructions are provided on page two.

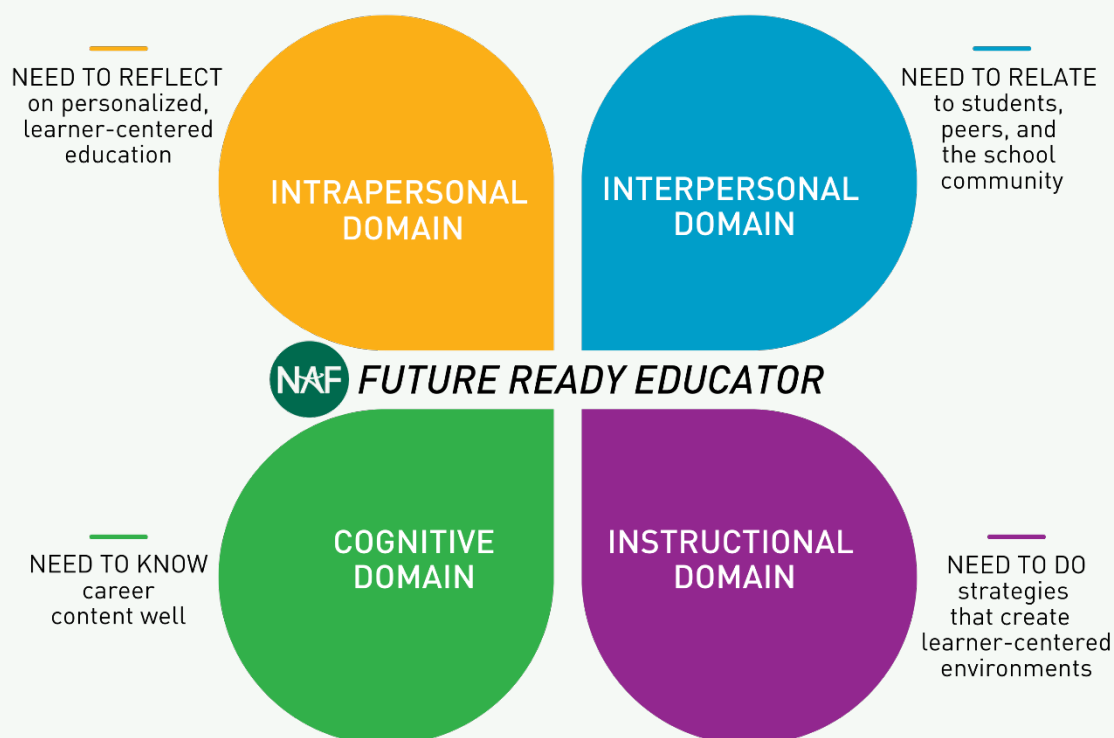

### NAF FUTURE READY EDUCATORS

Future ready educators create [personalized, learner-centered environments](#) and implement [competency-based education](#) by:

- Participating in [reflective teaching practices](#) about how to engage learners and adjusting and improving their instructional quality.
- Enrolling in self-selected professional learning.
- Providing equitable and culturally responsive learning opportunities.
- Developing as a professional in [Knowledge Works' four competency domains](#): **INTRAPERSONAL**, **INTERPERSONAL**, **COGNITIVE**, and **INSTRUCTIONAL**.

### PROFESSIONAL LEARNING DOMAINS

[NAF Future Ready Educators](#) engage in personalized, learner-centered educational practices as they strive to create equitable learning environments to ensure learners fulfill their potential and are future ready. Use this framework as a customizable tool to guide educator development:

Explore [Knowledge Works](#) to learn more.
