

## **WBL PARTICIPATION TRACKER**

- Allows academies to enter and track data on WBL activity participation to guide equity and access conversations.
- Generates reports to guide continuous improvement including # of activities, # of contact hours, grade level, and demographic subset reports.

## **WBL IMPACT TRACKER**

- All students involved in a WBL activity take a survey after participating.
- Students provide feedback on their perception of each WBL activity to guide continuous improvement.

## **REDESIGNED WBL SECTION OF ACADEMY SUPPORT HUB (ASH) WEBSITE**

- Streamlined for easier navigation; Filter by Audience feature for resources.
- New resources including short videos highlighting key WBL concepts.

## **INTERNSHIP PREPARATION MODULES**

- Content specifically designed to prepare students for internship and internship alternative success.
- 10 modules on topics including self reflection, preparing for a successful first day, verbal and written communication, navigating meetings, managing projects, and others.

## **WBL LESSON PLANS**

- Easy to use work-based learning lesson plans that can be integrated into any curriculum, allowing educators to tie WBL engagements to existing learning objectives and activities.
- Elevates connected and intentional work-based learning, ensuring a full continuum of work-based learning experiences for all students.

# WORK-BASED LEARNING: WHAT'S NEXT?

## *INTERNSHIP SUPERVISOR TRAINING CURRICULUM & RESOURCES - FALL 2022*

- Live training session slide deck and activities, on-demand videos, and resources to provide supervisors with the knowledge and skills they need to onboard and manage their interns effectively.

## *EVOLUTION OF WBL FRAMEWORK - SUMMER 2023*

- Reflecting multiple years of research and development, we are creating a new framework that will be supported by training sessions, tech tools, resources, and more. Exciting news to come!
