

CAREER & TECHNICAL EDUCATION (CTE) MONTH

February 2023

DURING CTE MONTH...

GET READY...

Explore [NAF's Internship Prep Modules](#).

Explore [Roadtrip Nation](#) to access empowering stories that give you the tools to find a career that matters to you.

Organize a student project showcase with your Advisory Board.

Collaborate with your educator to identify local industry leaders to invite to your academy based on student interest.

List out projects, internships, jobs and other experiences in your academy to include in a college/career focused portfolio.

THEN DO IT!

Search the web and inquire in person about internship opportunities.

Pay it forward and coordinate a Career Fair using these [resources](#).

Complete a KnoPro's "Skillbuilder Showdown in your pathway for a chance to win \$\$\$!

Use NAF's [guest-speaker templates](#) to help you make that happen!

[Build a Portfolio with Google Sites](#) to showcase your CTE achievements

Join NAF as we celebrate!

CTE Month® is an awareness campaign that takes place each February to celebrate the value of CTE and how it prepares learners to be #FutureReady.

Complete a [NAF Finance Expedition](#), participate in a [Women in Economics symposium](#) on February 23rd at 4:30 pm EST.

Participate in a challenge or apply for a scholarship through [HOSA](#) an organization that empowers future health professionals and leaders.

Complete a [NAF IT Expedition](#), tap into [CS EdWeek resources](#), and showcase to the school.

Complete an [Engineering Expedition](#), identify which [type of engineering](#) career is right for you.

Complete a [Hospitality and Tourism Expedition](#), [review Hospitality & Tourism Interview Questions](#), and practice with your classmates.
