

AT A GLANCE

Cryptocurrency is one of the greatest and most lucrative inventions of the century. It is a digital currency that lives on decentralized networks, using blockchain. NAF encourages learners to participate in the stretch activities and challenge, as today's learner is tomorrow's leader in this technological movement.

CSEdWeek: Showcase Choice Board

Now that you have **ACCEPTED THE PROJECT CHALLENGE**, leverage your learning and skills to complete the challenge project. Next, showcase your learning!

To **SHOWCASE YOUR CHALLENGE PROJECT**, choose one option from the choice board below. Sharing your learning and project with a global audience brings it to life!

Choice 1: Create a YouTube video that details your learning through the project challenge.

Choice 2: Create a blog or a social media campaign that highlights your project and learning journey.

Choice 3: Create a digital portfolio using Bulb or Google Slides that showcases your project and learning journey.

Meet Brandon Tory, an emerging hip-hop artist and Google software engineer who designed "Little Hackers" to teach coding.

Choice 4: Code or create a simple webpage to showcase your challenge project. Consider Replit or Wix.

Choice 5: Showcase your project in a format of your choosing.

Don't forget to **SHARE THE URL OF YOUR PROJECT SHOWCASE HERE** before 1/31/22, for a chance to win a \$100 gift card for both you and your educator.
