What to Bring to Art Camp

MASKS ARE OUR FRIENDS: For the safety of our community, masks are required for all studio program and art camp participants age 3 and up, regardless of vaccination status. We ask that you make sure to wear a mask that covers both your mouth and nose.

Art Camp Information Sheet: Please read all information in the Virginia MOCA Art Camp Information packet.

Emergency Forms: The **Emergency Information Form** must be completed the first day of every camp.

Medical Notice: Virginia MOCA staff are not authorized to administer medications on a regular basis. If a student is to self-carry a medication for use in the event of an emergency, it must be noted on the **Emergency Information Form**, and written instructions on the administration of medicine must be provided by the parent or legal guardian on the **Emergency Medication Permission Form**.

If your child has an allergy of any kind, it is important to inform Virginia MOCA staff on the first day of camp. If your child has a serious life-threatening allergy, we welcome you to remain onsite while your child is participating in the program. In the event of an emergency, MOCA Staff will respond to the situation promptly and accordingly; a staff person will immediately attempt to reach the parent or guardian.

Art Supplies

All art supplies and materials are provided by Virginia MOCA.

Snack

Students are welcome to bring a small snack and drink to eat during their daily break. Virginia MOCA does not supply any food or drink.

Lunch Bunch

Campers who attend both the 9:00 – 11:45am morning camp and the 12:15 – 3:00pm afternoon camp must bring a bagged lunch from home and will join our Lunch Bunch. A Virginia MOCA staff member will sign them out of the morning class, supervise them during the 30-minute lunch break and accompany them back to their afternoon class.

Food Allergies

Please avoid any foods that may contain traces of peanuts or tree nuts for snack and/or lunch. Be mindful of others and aware that many children have life threatening food allergies; inform your child that we do not share food at the museum for the safety of other campers.

Check-In and Check-Out Procedures

Check-In

Ages 2-3 and 4-5 with caregiver: You are required to stay with your child for the duration of the camp! Please sign in with your class instructor.

Ages 6-8 and 9-12: Sign your child in at the beginning of every class by initialing the attendance sheet provided by the teacher. Do not drop children off outside the studios without signing them in. If your child is not signed in, Virginia MOCA will contact you immediately to pick your child up. Check-Out: Please wait patiently outside of the studio until class has ended and someone has notified you to enter; students need time to finish projects, clean up, and review the day's lesson. Art Camp staff will ask all adults to initial beside the child's name on the attendance sheet to verify pick-up. A photo ID is required for an adult (other than the regular parent, guardian, caregiver) to pick up a child.

Drop off and Pick-up Times

Virginia MOCA does not offer any before or after care. If camper is not picked up within 15 minutes of the camp's completion time Virginia MOCA staff will attempt to contact the parent/guardian and emergency contact. If MOCA staff cannot reach contacts 30 minutes past the camp's completion time the proper authorities will be notified.
