Certified Physician Executive (CPE)

This credential opens doors in today's competitive health care leadership field. Adding CPE to your résumé indicates that you've reached a level of excellence in leadership with the education, expertise, and demonstrated skills to effectively lead health care organizations in today's challenging job market. **There's no better way to set yourself apart, gain prestige and advance your career.**

CPE Eligibility

CPE eligibility is limited to physician executives of the highest caliber. The credential is awarded by the Certifying Commission in Medical Management based on the four criteria below. For full details, visit physicianleaders.org/cpe.

PROFESSIONAL STATUS

Candidates are evaluated on:

- Medical Training
- Licensure
- Practice Experience
- Board Certification

EDUCATIONAL ACHIEVEMENT

Candidates must have one of the following:

- Completion of the CPE Curriculum provided by the American Association for Physician Leadership® (see CPE Curriculum Chart at physicianleaders.org/cpe)
- Graduate management degree — MBA, MMM, MHA or MS in Management, or another qualifying degree

EXPERIENCE

Candidates must have at least one year of significant leadership experience and managerial oversight within a healthcare organization.

SUCCESSFUL COMPLETION

of the 3½-day CPE Capstone Program.

CPE Capstone

The Capstone is the final required step in the certification program that will allow you to earn the CPE credential. This part of the program is completed at one of our four live sessions, so travel is required.

This 3½-day program is designed to provide you with additional education based on the CPE competencies. Completing exercises in the general and cohort sessions will allow you to practice and hone your skills in preparation for your CPE Leadership Summary Presentation. This is completed and video-recorded on the final half-day.

The CPE Leadership Summary Presentation allows you to succinctly communicate how you have demonstrated your ability as a physician leader. This presentation will cover leadership philosophies, competencies, accomplishments and the ability to meet current and future challenges in healthcare.

Certification

The CCMM is a not for-profit corporation chartered by the American Association for Physician Leadership® to establish and maintain the highest standards for certification of physician executives.

The Capstone tuition is \$3,500 and is due 60 days before the event. Participants will be awarded 32 CME upon successful completion of the Capstone.

The American Association for Physician Leadership is accredited by the Accreditation Council of Continuing Medical Education to provide continuing medical education for physicians.

The American Association for Physician Leadership designates this enduring material for a maximum of 32 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Course credits are only eligible to be applied for CPE prerequisite credit for 5 years from the date of an online self-study course or the attendance date of a live or facilitated course.

Please note: The CPE Curriculum is subject to change at any time based on the addition of new education courses or removal of expired courses. In the case a course is no longer offered or has a reduction in CME, other courses may be assigned or selected to fulfill that specific course credit total. This change in no way affects your overall completion of the CPE curriculum.
