

# Master's Degree Program Curriculum

The American Association for Physician Leadership® partners with six prestigious universities that recognize our courses as prerequisites and extend tuition savings to our members.

**Degree choices include:** Master in Business Administration (MBA), Master in Healthcare Quality and Safety Management (MS-HQSM), Master of Science in Health Care Administration and Policy (MS-HCAP), Master of Science in Population Health (MS-POPH), Master of Advanced Study in Health Informatics (MAS-HI), and a Master in Business Administration (MBA) & Master of Science in Healthcare Leadership (MS) — all with a medical management focus.

***Begin your journey toward the degree of your choice today.***
