Auto Insurance Quote Checklist

Shopping around for auto insurance? Getting a quote is as easy as 1-2-3 with CAA Insurance. Before you call or do an online quote, use this simple checklist to get all the information you will need handy. You'll save time and get the most accurate quote.

Step 1: Your personal information

- Year you got your driver's licence
- Type of licence you have (G, G1, G2 or other)
- Driver's licence number
- Do you have a promo code?

Step 2: Your insurance and driving history

- Your existing policy documents
- How long you've been insured without any gaps in your coverage
- If you've ever had an auto insurance policy cancelled, refused or declined
- Current insurance company, expiry date and broker (if applicable)
- If you've had any insurance claims over the past six years, the date and a brief description of what happened
- If you've had any tickets or convictions in the past three years, the dates and conviction details
- The names and birthdates of all drivers who live in your home and how long they've been licensed
- If any member of your household had their licence suspended, cancelled or lapse within the last six years, provide the dates and details

Step 3: Your vehicle(s)

- Year, make and model
- Vehicle Information Number (VIN)
- Purchased or leased
- Condition when purchased: new or used

How you use your vehicle will determine the type of insurance coverage you need.

- Daily commute distance
- Will your vehicle be used for commercial purposes?
- Yearly km driven
- Four-wheel or two-wheel drive
- Kilometres driven for business
- Do you install winter tires?
- Do you have an aftermarket anti-theft device installed?
