IMPORTANT NOTICE - READ CAREFULLY BEFORE “YOU” TRAVEL

“You” have received this “travel” insurance coverage with your CAA insurance “policy” – what’s next? “We” want “you” to understand (and it is in “your” best interests to know) what “your” “policy” includes, what it excludes, and what is limited (payable but with limits). Please take time to read through “your” “policy” before “you” travel. Terms that appear in quotations or in bold are defined in “your” “policy.”

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, “you” must meet all of the eligibility requirements.
- This insurance contains limitations and/or exclusions (e.g. “medical conditions” that are not “stable”, pregnancy, child born on the “trip”, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to “pre-existing medical conditions”, whether disclosed or not at time of “policy” purchase.
- Contact “CAA Assistance” before seeking “treatment” or “your” benefits may be limited or denied.
- In the event of a claim “your” prior medical history may be reviewed.

IT IS “YOUR” RESPONSIBILITY TO UNDERSTAND “YOUR” COVERAGE. IF “YOU” HAVE QUESTIONS, CALL “us” at 1-844-945-1470 (in Canada & United States) or +1-519-945-6030 (to call collect elsewhere in the world) or contact “us” at CAAInsurance@canamti.com. IN THE EVENT OF AN EMERGENCY, PLEASE CALL “CAA ASSISTANCE” IMMEDIATELY.

Prior to receiving all relevant medical information, “we” will handle “your” “emergency” assuming “you” are eligible for benefits under this “policy” and “you” will be reminded that any services rendered are subject to the terms and conditions of this “policy”. If it is later determined that a “policy” term, limitation, condition or exclusion, general and specific, applies to “your” claim, “you” will be required to reimburse “us” for any payments “we” have made on “your” behalf.

“CAA Assistance” will work closely with “you” to:

- direct “you” to an appropriate “physician” or “hospital” at “your” “trip” destination, wherever possible;
- provide multilingual interpreters to communicate with “physicians” and “hospitals”;
- monitor “your” care so that only appropriate, “medically necessary” “treatment” is given and to ensure that “your” medical needs are met;
- contact “your” “family” and “physician” on “your” behalf;
- pay “hospitals”, “physicians”, and other medical providers directly, wherever possible;
- approve and arrange air ambulance transportation when “medically necessary”;
- inform “you” of any expenses not covered by this “policy” or to explain this “policy’s” terms and provisions as they relate to “your” “medical emergency”.

Where a claim is payable, “we” will arrange, wherever possible, to have any medical expenses billed directly to “us”.

WHY ARE “YOU” REQUIRED TO CALL “CAA ASSISTANCE”?

“You” must call “CAA Assistance” before obtaining “emergency treatment”, so that “we” may:

- confirm coverage; and
- provide pre-approval of “medical treatment”.

If it is medically impossible for “you” to call prior to obtaining “emergency treatment”, we ask “you” to call as soon as possible or have someone call on “your” behalf. Otherwise, if “you” do not call “CAA Assistance” before “you” obtain “emergency treatment”, “your” maximum benefit payable will be reduced to 80% of “your” medical expenses covered under this insurance, to a maximum of \$25,000 CAD.

This “policy” contains a provision removing or restricting the right of the “Insured” to designate persons to whom or for whose benefit insurance money is to be payable.

This “policy” covers losses resulting from unforeseen and emergent circumstances only. It contains terms, limitations, conditions and exclusions, general and specific that may restrict benefits payable.

PLEASE READ THIS “POLICY”

It is “your” responsibility to read this “policy” carefully before “you” travel, particularly the sections relating to the insurance coverage “you” have purchased. Some of the terms may limit the benefits payable to “you”.

By following the instructions in the section How to File a Claim, “you” can speed up the assessment and, where applicable, payment of “your” covered eligible expenses.

Throughout this “policy” “you” will notice that certain terms are brought to “your” attention with quotations. These terms are explained in the Definitions section. Pay particular attention to these definitions as the “Insurer” has given a very specific meaning to these terms.

CARRY THE INSURANCE CARD AND THIS “POLICY” WITH “YOU”

“You” will be provided with a wallet-size insurance card that provides important “emergency” telephone numbers that “you” must call in the event of a claim and before receiving “medical treatment”. Carry this card with “you” at all times and bring this “policy” with “you” when travelling.

General Conditions

These general conditions apply to the insurance coverage under this “policy”.

1. Premium rates and “policy” terms and conditions are subject to change without prior notice.

5. Where not specified, fares are one-way and economy class.

- This exclusion does not apply to claims for an “emergency” or a “medical condition” unrelated to the travel advisory.

To view the travel advisories, visit the Government of Canada Travel site.

8. Despite any provision to the contrary within this “policy” or any amendment thereto, this “policy” does not cover any liability, loss, cost or expense whatsoever which is directly or indirectly caused by, resulting from, arising out of or in connection with any “acts of terrorism” perpetrated by biological, chemical, nuclear or radioactive means, regardless of any other cause contributing concurrently or in any other sequence to the liability, loss, cost or expense.

SPECIFIC CONDITIONS

In addition to the General Conditions, Emergency Travel Medical Insurance is subject to the following conditions:

1. "You" must call "CAA Assistance" before obtaining "emergency treatment", so that we may:

- confirm coverage; and
- provide pre-approval of "medical treatment".

If it is medically impossible for "you" to call prior to obtaining "emergency treatment", "we" ask "you" to call as soon as possible or have someone call on "your" behalf. Otherwise, if "you" do not call "CAA Assistance" before "you" obtain "emergency treatment", "your" maximum benefit payable will be reduced to 80% of "your" medical expenses covered under this insurance, to a maximum of \$25,000 CAD.

Phone numbers are located on page 1 and "your" Insurance Card.

2. In the event of an "injury" or "sickness", "your" prior medical history will be reviewed as part of the claim process.
3. If "we" pay "your" health care provider or reimburse "you" for covered expenses, "we" will seek reimbursement from "your" "GHIP" and from any other medical reimbursement plan under which "you" may have coverage. "You" may not claim or receive in total more than 100% of "your" total covered expenses.
4. After "your" medical "emergency treatment" has started, "CAA Assistance", must assess and pre-approve additional "medical treatment". If "you" undergo tests as part of a medical investigation, obtain "treatment" or surgery that is not pre-approved, "your" claim will not be paid. This includes invasive testing, surgery, (including but not limited to cardiac catheterization, other cardiac procedures, transplant, MRI), except in extreme circumstances where such action would delay surgery required to resolve a life-threatening medical crisis.
5. If "we" determine that "you" should transfer to another facility or return to "your" home province/territory of residence, and "you" choose not to, benefits will not be paid for further "medical treatment".
6. "We" are not responsible for the availability, quality or results of any "medical treatment" or transportation, or "your" failure to obtain "medical treatment" or "hospitalization".
7. Recurrence or ongoing "treatment" once "your" "emergency" has ended
- Situation where "your" claim will not be paid:
- The continued "treatment", recurrence or complication of a "medical condition" or related condition, following "emergency treatment" during "your" "trip", if the Medical Director of "CAA Assistance" determine that "your" "emergency" has ended.

8. Any benefits payable for “acts of terrorism” are excess to all other recovery sources including, but not limited to, alternative or replacement travel options offered by airlines, tour operators, cruise lines and other “travel suppliers” and other insurance coverage (even when such coverage is described as excess) and are payable only after “you” have exhausted all such other recovery sources.

Any benefits payable are subject to an overall aggregate maximum limit relating to all in-force travel policies issued by “us”, including this “policy”. Coverage is available for up to two “acts of terrorism” within a calendar year and the maximum payable for each “act of terrorism” is \$8 million.

If total claims resulting from one or more “acts of terrorism” exceed the applicable aggregate maximum limit stated above, then each “Insured” is entitled to his/her pro rata share of such aggregate maximum limit. If, in “our” judgment, the total of all payable claims under one or more “acts of terrorism” may exceed the applicable aggregate maximum limit, “your” prorated claim will be paid after the end of the calendar year in which “you” qualify for benefits.

General Terms of Agreement

These general terms of agreement apply to all CAA Travel Insurance coverage described herein.

This “policy” is issued in consideration of “your” application, and the premium paid coverage shown on “your” Coverage Summary Page upon which a CAA Insurance “policy” number appears.

“Active Care Management Inc.” has been appointed by the “Insurer” as provider of all assistance and claims services under this “policy”.

Premium

Once “you” pay “your” premium and a “policy” number is issued, this “policy” becomes a binding contract that determines what benefits are payable to “you” by the “Insurer”.

Enrollment and premium collection are handled by CAA and the “Insurer”. The required premium is due and payable at the time of application and will be determined according to the schedule of premium rates then in effect.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of “your” payment exists.

By paying the premium for this insurance, “you” agree that “we” and “CAA Assistance” have:

- a. “your” consent to verify “your” Canadian government health insurance (“GHIP”) card number (where applicable) and other information required to process “your” claim, with the relevant government and other authorities;
- b. “your” authorization to “physicians”, “hospitals” and other medical providers (where applicable) to provide to “us” and “CAA Assistance” any and all information they have regarding “you” while under observation or “treatment”, including “your” medical history, diagnoses and test results;
- c. “your” agreement to the collection, use, and if necessary, disclosure of the information available under a. and b. above from and to other sources, as may be required for the consideration and, if applicable, processing of “your” claim for coordination of benefits obtainable from other sources; and
- d. the right to collect from “you” any amount “we” have paid on “your” behalf to medical providers or any other parties in the event that “you” are found to be ineligible for coverage or that “your” claim is invalid or benefits are reduced in accordance with any provisions of this “policy”.

Where Coverage is Applicable

Coverage is applicable worldwide, except in countries at war or countries where political instability or hostility renders the area inaccessible by “CAA Assistance” services. “You” may contact “CAA Assistance” prior to “your” departure to confirm coverage for “your” “trip” destination. Phone numbers are located on page 1 and on the Insurance Card.

Payment of Benefits

All payments under this “policy” are payable to “you” or on “your” behalf. Benefits for loss of life are made to “your” estate.

“You” do not have the right to designate persons to whom for whose benefit insurance money is to be payable.

Any benefits paid will be payable in Canadian funds. Where benefits are payable in foreign currency, the rate of exchange is based on the rate effective on the date when the benefit is paid. No sum payable shall bear interest. All benefit limits indicated are in Canadian currency.

Rights of Subrogation

“We” have the right to proceed at our own expense in “your” name against third parties who may be responsible for giving rise to a claim under this “policy” or who may be responsible for providing indemnity or benefits similar to this insurance. “We” have full rights of subrogation. “You” will co-operate fully with “us” and not do anything to

prejudice such rights. If “you” institute a demand or action for a covered loss, “you” shall immediately notify the “Insurer” so that the “Insurer” may safeguard its rights.

Coordination of Benefits

If, at the time of loss, “you” have insurance from another source, or if any other party is responsible for benefits also provided under this “policy”, the “Insurer” will pay eligible expenses only in excess of those covered by that other insurer or other responsible party, including credit cards, private or provincial auto plans or any other insurance, whether collectable or not. If, however, that other insurance is also “excess only”, the “Insurer” will co-ordinate payment of all eligible claims with that other insurer. All co-ordination follows guidelines set by the Canadian Life and Health Insurance Association. In no case will the “Insurer” seek to recover against employment related plans if the lifetime maximum for all in-country and out-of- country benefits is **\$100,000** or less. If “your” lifetime maximum is greater than **\$100,000**, the “Insurer” will co-ordinate benefits only above this amount.

General misrepresentation

“You” must be accurate and complete in “your” dealings with “us” at all times. “We” will not pay a claim if “you”, any person insured under this “policy” or anyone acting on “your” behalf attempt to deceive “us” or makes a fraudulent, false or exaggerated statement or claim.

Arbitration

The “Insured(s)” and “Insurer” hereto agree that any dispute, controversy or claim arising out of or relating to this “policy”, including any question regarding its existence, interpretation, validity, breach, termination or claim made pursuant to it, shall be submitted to an arbitrator in the Canadian province or territory in which this “policy” was issued. The laws of the Canadian province or territory in which the “policy” was issued shall apply in the determination of any such dispute, controversy or claim. The decision of the arbitrator shall be final and no party may appeal the decision to any court.

Applicable Law

This “policy” of insurance is governed by the law of the Canadian province or territory of residence of the “Insured”.
