Care about the environment - Reduce, reuse, recycle with Istra Camping by Plava Laguna. Let's all reduce the amount of energy and packaging we use, choose multiple-use products, sort waste and save natural resources. Let's protect the planet we live on, both for us and future generations!

Blue Flag is an international ecological sea and coastline protection programme. It is awarded to beaches that are managed sustainably and offer a high quality of service.

### DID YOU KNOW?

The Campsite's name 'Ulka' means 'Olive' in Istrian dialect.

The most common varieties of olives in Istria are Leccino, Buža and Bjelica.

LECCINO - Next to the Campsite is the largest olive plantation in Croatia.

BUŽA - It is the most widespread variety of olive in Istria.

BJELICA - It most likely got its name from the color of the fruit, which is bright. 'Bijelo' in Croatian means white.
