

PROTEO

Haulier Enterprise – Integration

The Integration capability of Haulier HE has provided our existing client base with an 80% integration capability and contributed to their ability to strengthen customer relationships.

We are able to provide a collaboration space that allows The Haulier and The Customer to do business electronically **reducing Time, Cost** and providing **High levels visibility** that **enhances the User experience**.

Integrated system treats **Pallet Tracking System** as a Sub-Contractor and takes care of paperwork accordingly.

2 Way Integration. Pull information like orders and **push invoices**.

Real Time details such as **Delivery** and **Collection Up-dates**

Connect and Sync Data across all your systems in **Real-Time**

Benefits
