APPENDIX 1

Terms and Conditions currently used; based on ABAS

Applicable to all business who is not on the Ghent – Gothenburg route, and therefore not subject to the NSFCC

GENERAL CONDITIONS FOR THE HANDLING OF GOODS AND RELATED ACTIVITIES

Article 1 : Every assignment to the assignee will be concluded according to the following conditions that govern the commercial relations between the parties. These general conditions do not detract from the regulations and customs of the port of Antwerp.

Article 2 : The task consists of all activities of a manual or non-manual nature relating to loading, unloading, handling, receiving, controlling, tallying, delivery of goods, warehousing, transportation within the port area (Royal Decree 12.8.1974 art. 2 § 4), including all related and subordinate activities.
This list is non-exhaustive.

The assignor is the one who gives the order to the assignee.

The assignee is the one who accepts this order and executes it or has it executed.

Article 3 : The assignee is only liable for damage and/or loss that is the direct consequence of his proven fault. The liability of the assignee is limited to EUR 875.00 per unit and EUR 125.00 per ton for bulk cargo. The maximum liability regardless of the number of units for each claim of damage shall in no case exceed the amount of EUR 2,500.00.
For damage caused to the ship or means of transport, the maximum liability shall not exceed EUR 25,000.00.
Or in case of convergence of several claims relating to damage caused to the ship or the means of transport, loss and/or damage of goods or materials made available by the assignor or by third parties, the total liability shall not exceed EUR 37,500.00 irrespective of the number of prejudiced parties.

Article 4 : All costs arising from government decisions shall be paid by the assignor. All costs arising from government decisions shall be paid by the assignor.

Article 5 : The assignor who can invoke discharge clauses and/or limitations shall stipulate these in favor of the assignee.

Article 6 :

- a. Delay in payment will give rise ipso jure to late payment interests equal to the official lending rate of the National Bank of Belgium +2%.
- b. Formal notice of default shall give rise to the payment of contractual damages equal to 10% of the amount invoiced, with a minimum of EUR 125.00 for administrative charges

Article 7 : The assignee is exempt from all liability in the following cases : all indirect damage such as delays, port fees, demurrage, loss of profits, fines and/or similar levies; all damage and loss occurring before or after the actual execution of the task by the assignee. force majeure; general shortage of personnel in the port pool; theft; defect in goods and/or packaging; flooding, natural disaster, explosion and fire, whoever or whatever may be the cause thereof; error of third parties and/or the assignor; failure to communicate or incorrect communication of data or instructions by the assignor and/or by third parties; any claim resulting from an unforeseeable defect of the equipment of the assignee;

Article 8 :

- a. The assignor is required to communicate in writing to the assignee before the commencement of the task:
 - o the correct and accurate description of the goods, including type, number, weight, condition and risk category.
 - o all instructions and limitations connected with the protection, handling and storage of the goods and the execution of the assignment in general
- a. The goods shall carry all necessary markings indicating their characteristics. The assignor shall pack the goods required for the execution of the assignment, unless it is customary not to pack the goods.
- b. The means of transport to be made available shall be supplied so that the assignment to be executed can be started immediately according to the usual method of working.
- c. The installations, warehouses and equipment shall be checked by the assignor before being put to use, as to their suitability. In the absence of such a check or any motivated reserve, they shall be deemed to have been found suitable.

The assignor shall safeguard the assignee against all claims that could arise from a breach of the above obligations, even if the breach is attributable to a third party.
Subject to written obligation to ensure, the assignor undertakes in respect of the assignee to bear all risks himself and waives recourse against himself and/or his insurers. The assignee waives all recourse against the assignor in case of fire damage to the installations.

Article 10 : The assignee shall carry out the assignment to the best of his ability and in conformity with the customs, usages and regulations of the port.

Article 11 : As guarantee for the payment of all sums due by the assignor to the assignee for the handling, storage and additional activities for these and previous goods, he is granted possessory lien in accordance with article 1948 of the Civil Code and the stipulations of the law of 5 May 1872, even if warehouse warrants and bearer storage certifications are suspended. Should the assignor remain in default, the assignee shall be entitled, after due notice, to have the goods sold in conformity with the procedure in the law of 5 May 1872.

Article 12 : All liability of the assignee lapses if any claim by the assignor is not lodged in writing at the conclusion of the task.

Article 13 : Without prejudice to the stipulations above, any claim against the assignee expires one year after the determination of the damage and/or shortage or, in case of dispute, one year after the date of the invoice, unless a shorter date is fixed by law.

Article 14 : Should any article of these general conditions be in conflict with compelling legal stipulations that article shall be regarded as not written, so that the validity of the remaining articles shall be unaffected.

Article 15 : All legal disputes between assignor and assignee shall be settled according to these General conditions and Belgian law.
