## Agenda

1. Authorisation to the Board of Directors to increase the Company's share capital without pre-emption rights of the shareholders of the Company

The Board of Directors proposes that the shareholders authorise the Board of Directors up and until 30 June 2019 to increase the Company's share capital with up to nominally DKK 100,000,000 at market price by issuing new shares through a capital increase without pre-emption rights of the Company's shareholders.

The Board of Directors proposes that the following authorisation is inserted as a new item 3.7 in the Company's Articles of Association:

*"Up and until 30 June 2019 the Board of Directors is authorised to one or more times to increase the Company's share capital by up to nominally DKK 100,000,000 at at least market price by issuing new shares without pre-emption rights of the shareholders of the Company. There will be no possibility of making partial payments. The new shares will be negotiable instruments and registered in the holder's name. Moreover, the shares will in all aspects be equal to already existing shares also as regards redemption and restrictions in transferability."*

The proposal is a consequence of the Company's acquisition of 98.8% of the shares in U.N. Ro-Ro from Actera, and Esas Holdings. Please refer to Company Announcement No. 30 of 12 April 2018 for further information.

2. Authorisation to the chairman

The Board of Directors proposes that the general meeting authorises the chairman with the right of substitution to register the approved proposal in the IT-system of the Danish Business Authority and to make the corresponding changes required or recommended by the Danish Business Authority or other authorities with a view to registering or approving the proposals approved.
