

# Roadtrip Netherlands

Schoorl - Zandvoort or Bloemendaal - Scheveningen - Zeeland

## WHERE TO GO

- The nature reserve of the dunes of **Schoorl** in Noord-Holland is like no other place in The Netherlands. This reserve has some of the highest dunes in the country (some up to 55.4 metres) which stretch over 5km!
- **Zandvoort** is known for its beach but has so much more to offer! Browse the boutiques and taste some freshly caught fish in a seafront restaurant. If you are a F1 lover a visit to the Zandvoort Museum is a must! If you're looking for something more relaxed, head to **Bloemendaal** for trendy beach bars and a laid-back vibe!
- **The Scheveningen Pier** is known for its ferris wheel. Take a ride and spot some sea life from the top or head to The Hague nearby to explore Holland's centre of government.
- **The Zeeland province** is a great place to visit for people who love beaches and the sea. It has everything to offer from nature, to small villages, hiking tracks, fresh fish restaurants and much more!
