

Dunkerque

A French family destination, right across the English Channel!

One of the major natural attractions of Dunkerque and French Flanders is the seaside. The wide sandy beaches and the shallow North Sea offer fabulous conditions for a relaxing stay by the sea. But that is not all! The region offers a wealth of family friendly attractions and offerings including a zoo, an aquarium, boat rides and a theme park.

Hop over the English Channel for a change of scenery. Even if Dunkerque is just a stone's throw from Britain, you will enjoy the feeling of being abroad.

If you don't feel like driving too far with the family, Dunkerque is definitely a destination to consider.
