Factors which are material for the purpose of assessing the market risks associated with Bond

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Bonds and be familiar with the behaviour of the financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

1. Risk factors

All investments in interest bearing securities have risk associated with such investment. The risk is related to the general volatility in the market for such securities, varying liquidity in a single bond issue as well as company specific risk factors. The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds. An investment in the Bonds entails significant risks and is suitable only for investors who understand the risk factors associated with this type of investment and who can afford a loss of all or part of its investment.

The main risks, in the view of the Issuer, related to these specific bonds are described below. Risks related to the Issuer are described in the Registration Document, dated 08.08.2023.

RISKS RELATED TO THE BONDS

Risks related to the market value of the bonds

There is a risk that the value of the Bonds may decrease due to changes in relevant market risk factors. The price of a single bond issue will, generally, fluctuate due to general development in financial markets, as well as investor interest in the bonds, and developments in the markets in which the Group operates. Accordingly, there is a risk that the value of the Bonds may decrease despite an underlying positive development in the Group's business activities.

Risks related to the Issuer's requirement to meet financial obligations

The Issuer's ability to fulfil its financial obligations under the Bond Terms may depend on several circumstances, including its future performance and ability to generate cash, which to a certain extent is subject to general economics, financial, competitive, legislative, regulatory, and other factors, many of which are beyond the Group's control. Insufficient cash levels may prevent the Group from meeting its financial obligations and may have an adverse impact on the Group's business and operations.

Risks related to the bonds being unsecured

The bonds are unsecured. Consequently, right to receive payment on the Bonds in a default and enforcement scenario will be subject to all secured creditors first receiving due payments. Under insolvency proceedings, the Bondholders will not receive any payment unless there are remaining funds after the secured creditors of the Group have received payment in full. Insolvency proceedings could involve that the Bondholders only receive payments in part or not at all.

The Group is dependent upon cash flow from its subsidiaries to meet its obligations, in general and under the Bonds

The Group currently conducts a significant portion of its operations through, and a significant portion/most of its assets are owned by, its subsidiaries. As such, the cash that the Company obtains from its subsidiaries is an important source of funds necessary to meet its obligations. Contractual provisions or laws, including laws or regulations related to the repatriation of foreign earnings, corporate benefit and financial assistance, as well as its subsidiaries' financial condition, operating requirements, restrictive covenants in their debt arrangements and debt requirements, may limit the Company's ability to obtain cash from its subsidiaries that they require to pay their expenses or meet their current or future debt service obligations.

The inability of the Company's subsidiaries to transfer cash to the Company may mean that, even though the Company may have sufficient resources on a consolidated basis to meet its obligations under its debt agreements, it may not be able to meet such obligations. A payment default by the Company, or any of its subsidiaries, on any debt instrument may have a material adverse effect on the Group's business, results of operation and financial condition.

The Bonds will be structurally subordinated to the liabilities of the Company's subsidiaries

None of the Company's subsidiaries will guarantee or have any obligations to pay amounts due under the Bonds or to make funds available for that purpose. Generally, claims of creditors of a subsidiary, certain hedge providers and trade creditors of the subsidiary, will have priority with respect to the assets and earnings of the subsidiary over the claims of creditors of its parent entity, including by holders of the Bonds. In the event of any foreclosure, dissolution, winding-up, liquidation, reorganization, administration or other bankruptcy or insolvency proceeding of any of its subsidiaries, holders of their indebtedness and their trade creditors will generally be entitled to payment of their claims from the assets of those subsidiaries before any assets are made available for distribution to its parent entity. The Company's creditors (including the bondholders) will have no right to proceed against the assets of such subsidiary. As such, the Bonds will be structurally subordinated to the creditors (including trade creditors) of the Company's subsidiaries.

The Company may not be able to finance a put option redemption

The Bond Terms will require the Company to make an offer to repurchase the Bonds at 100% of their aggregate principal amount plus accrued interest if the Company experiences certain change of control event (a bondholder put option). The Company's failure to effect a put option when required would constitute an event of default under the Bond Terms. In addition, the Company's ability to repurchase the bonds as may be required by the Bond Terms will depend on the Group's access to funds at such time. It cannot be assured that there will be sufficient funds available to make these repayments and repurchases of tendered Bonds.

An active trading market may not develop for the Bonds, in which case bondholders may not be able to resell the Bonds

There is no existing trading market for the Bonds and the Company cannot assure that an active or liquid trading market will develop for the Bonds. No market-making agreement has been made for the Bonds. Future liquidity will depend, among other things, on the number of bondholders, the Group's financial performance, the market for similar securities and the interest of securities dealers in making a market in the Bonds. In addition, changes in the overall market for debt securities and changes in the Group's financial performance or in the markets where it operates may adversely affect the liquidity of the trading market in the Bonds and the market price quoted for the Bonds. As a result, the Company cannot assure that an active trading market will actually develop for the Bonds. The market for the Bonds may further be subject to disruptions that can cause substantial volatility in their prices. Any disruptions may have an adverse effect on the holders of the Bonds.

The Company's credit rating and the Bonds expected credit rating, may not reflect all risks, is not a recommendation to buy or hold securities and may be subject to revision, suspension or withdrawal at any time

One or more independent credit rating agencies may assign credit ratings to the Bonds. The ratings may not reflect the potential impact of all risks related to the structure, market, additional risk factors discussed herein and other factors that may affect the value of the Bonds. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal by the rating agency at any time. No assurance can be given that a credit rating will remain constant for any given period of time or that a credit rating will not be lowered or withdrawn entirely by the credit rating agency if, in its judgment, circumstances in the future so warrant. A suspension, reduction or withdrawal at any time of the credit rating assigned to the Bonds by one or more of the credit rating agencies may adversely affect the Group's access to capital, the cost and terms and conditions of its financings and the value and trading of the Bonds, which could have a material adverse effect on the Group's business, financial condition and results of operations.

Risks related to amendments of the Bond Terms and remedies afforded to the bondholders

The Bond Terms will contain provisions for calling meetings of bondholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all bondholders, including bondholders who did not attend nor vote at the relevant meeting and bondholders who voted in a manner contrary to the majority. The bond trustee may agree, without the consent of the bondholders, to certain modifications to the Bond Terms and other bond finance documents. Pursuant to the Bond Terms, remedies afforded to the bondholders are vested with the bond trustee, thus

preventing individual bondholders from taking separate action. The Bond Trustee will be required to act in accordance with instruction given by a relevant majority of bondholders, but is also vested with discretionary powers.

Further, remedies available to the bond trustee may be limited by laws relating to liquidation, administration, reconstruction, insolvency or other laws or procedures generally affecting the enforcement of creditors' rights, as well as any provisions generally applicable under applicable law.

Risks related to the interest on the Bonds

The bonds are subject to a floating interest rate. The coupon payments, which depend on the NIBOR interest rate and the applicable margin, will vary in accordance with variability of the NIBOR interest rate. The interest rate risks related to part of the Bond issues will be limited since the coupon rate, where applicable, will be adjusted quarterly according to the change in reference interest rate (NIBOR 3 months). The primary risk for a floating bond issue will be related to the market view of the correct trading level for the credit spread related to a bond issue at a certain time during the tenor, compared with the credit margin which that bond is carrying. A possible increase in the credit spread trading level relative to the coupon defined credit margin may relate to general changes in the market conditions and/or Group specific circumstances. However, under normal circumstances the anticipated tradable credit spread will fall as the duration of a bond issue becomes shorter. In general, the price of bonds will fall when the credit spreads in the market increase, and conversely the bond price will increase when market spreads decrease.

Reference rate benchmarks such as NIBOR may be discontinued over time. In case NIBOR is discontinued while the bonds remain outstanding, the bond trustee for the Bonds will adjust the interest rate in respect of the bonds for the remaining term of the bonds. The bonds may accordingly pay an interest rate after any such discontinuation and adjustment which may be higher or lower than in case such discontinuation and adjustment had not happened.

In case of dispute or doubt with regard to whether a person is a Representative or entitled to vote, the Chairperson will decide who may attend the Bondholders' Meeting and exercise voting rights.
- (ix) Representatives of the Issuer have the right to attend the Bondholders' Meeting. The Bondholders Meeting may resolve to exclude the Issuer's representatives and/or any person holding only Issuer's Bonds (or any representative of such person) from participating in the meeting at certain times, however, the Issuer's representative and any such other person shall have the right to be present during the voting.
- (x) Minutes of the Bondholders' Meeting must be recorded by, or by someone acting at the instruction of, the Chairperson. The minutes must state the number of Voting Bonds represented at the Bondholders' Meeting, the resolutions passed at the meeting, and the results of the vote on the matters to be decided at the Bondholders' Meeting. The minutes shall be signed by the Chairperson and at least one (1) other person. The minutes will be deposited with the Bond Trustee who shall make available a copy to the Bondholders and the Issuer upon request.
- (xi) The Bond Trustee will ensure that the Issuer, the Bondholders and the Exchange are notified of resolutions passed at the Bondholders' Meeting and that the resolutions are published on the website of the Bond Trustee (or other relevant electronically platform or press release).
- (xii) The Issuer shall bear the costs and expenses incurred in connection with convening a Bondholders' Meeting regardless of who has convened the Bondholders' Meeting, including any reasonable costs and fees incurred by the Bond Trustee.

7.3 Voting rules

- (i) Each Bondholder (or person acting for a Bondholder under a power of attorney) may cast one (1) vote for each Voting Bond owned on the Relevant Record Date, ref. Clause 6.3 (*Bondholders' rights*). The Chairperson may, in its sole discretion, decide on accepted evidence of ownership of Voting Bonds.
- (ii) Issuer's Bonds shall not carry any voting rights. The Chairperson shall determine any question concerning whether any Bonds will be considered Issuer's Bonds.
- (iii) For the purposes of this Clause 7 (*Bondholders' decisions*), a Bondholder that has a Bond registered in the name of a nominee will, in accordance with Clause 6.3 (*Bondholders' rights*), be deemed to be the owner of the Bond rather than the nominee. No vote may be cast by any nominee if the Bondholder has presented relevant evidence to the Bond Trustee pursuant to Clause 6.3 (*Bondholders' rights*) stating that it is the owner of the Bonds voted for. If the Bondholder has voted directly for any of its nominee registered Bonds, the Bondholder's votes shall take precedence over votes submitted by the nominee for the same Bonds.
- (iv) Any of the Issuer, the Bond Trustee and any Bondholder has the right to demand a vote by ballot. In case of parity of votes, the Chairperson will have the deciding vote.

7.4 Repeated Bondholders' Meeting

- (i) Even if the necessary quorum set out in paragraph (e) of Clause 7.1 (*Authority of the Bondholders' Meeting*) is not achieved, the Bondholders' Meeting shall be held and voting completed for the purpose of recording the voting results in the minutes of the Bondholders' Meeting. The Bond Trustee or the person who convened the initial Bondholders' Meeting may, within ten (10) Business Days of that Bondholders' Meeting, convene a repeated meeting with the same agenda as the first meeting.
- (ii) The provisions and procedures regarding Bondholders' Meetings as set out in Clause 7.1 (*Authority of the Bondholders' Meeting*), Clause 7.2 (*Procedure for arranging a Bondholders' Meeting*) and Clause 7.3 (*Voting rules*) shall apply mutatis mutandis to a repeated Bondholders' Meeting, with the exception that the quorum requirements set out in paragraph (e) of Clause 7.1 (*Authority of the Bondholders' Meeting*) shall not apply to a repeated Bondholders' Meeting. A Summons for a repeated Bondholders' Meeting shall also contain the voting results obtained in the initial Bondholders' Meeting.
- (iii) A repeated Bondholders' Meeting may only be convened once for each original Bondholders' Meeting. A repeated Bondholders' Meeting may be convened pursuant to the procedures of a Written Resolution in accordance with Clause 7.5 (*Written Resolutions*), even if the initial meeting was held pursuant to the procedures of a Bondholders' Meeting in accordance with Clause 7.2 (*Procedure for arranging a Bondholders' Meeting*) and vice versa.

7.5 Written Resolutions

- (i) Subject to these Bond Terms, anything which may be resolved by the Bondholders in a Bondholders' Meeting pursuant to Clause 7.1 (*Authority of the Bondholders' Meeting*) may also be resolved by way of a Written Resolution. A Written Resolution passed with the relevant majority is as valid as if it had been passed by the Bondholders in a Bondholders' Meeting, and any reference in any Finance Document to a Bondholders' Meeting shall be construed accordingly.
- (ii) The person requesting a Bondholders' Meeting may instead request that the relevant matters are to be resolved by Written Resolution only, unless the Bond Trustee decides otherwise.

- (iii) The Summons for the Written Resolution shall be sent to the Bondholders registered in the CSD at the time the Summons is sent from the CSD and published at the Bond Trustee's web site, or other relevant electronic platform or via press release.
- (iv) The provisions set out in Clause 7.1 (*Authority of the Bondholders' Meeting*), 7.2 (*Procedure for arranging a Bondholder's Meeting*), Clause 7.3 (*Voting Rules*) and Clause 7.4 (*Repeated Bondholders' Meeting*) shall apply mutatis mutandis to a Written Resolution, except that:
 - (i) the provisions set out in paragraphs (g), (h) and (i) of Clause 7.2 (*Procedure for arranging Bondholders Meetings*); or
 - (ii) provisions which are otherwise in conflict with the requirements of this Clause 7.5 (*Written Resolution*),
 shall not apply to a Written Resolution.
- (v) The Summons for a Written Resolution shall include:
 - (i) instructions as to how to vote to each separate item in the Summons (including instructions as to how voting can be done electronically if relevant); and
 - (ii) the time limit within which the Bond Trustee must have received all votes necessary in order for the Written Resolution to be passed with the requisite majority (the "**Voting Period**"), which shall be at least ten (10) Business Days but not more than fifteen (15) Business Days from the date of the Summons.
- (vi) Only Bondholders of Voting Bonds registered with the CSD on the Relevant Record Date, or the beneficial owner thereof having presented relevant evidence to the Bond Trustee pursuant to Clause 6.3 (*Bondholders' rights*), will be counted in the Written Resolution.
- (vii) A Written Resolution is passed when the requisite majority set out in paragraph (f) or paragraph (g) of Clause 7.1 (*Authority of Bondholders' Meeting*) has been obtained, based on a quorum of the total number of Voting Bonds, even if the Voting Period has not yet expired. A Written Resolution will also be passed if the sufficient numbers of negative votes are received prior to the expiry of the Voting Period.
- (viii) The effective date of a Written Resolution passed prior to the expiry of the Voting Period is the date when the resolution is approved by the last Bondholder that results in the necessary voting majority being obtained.
- (ix) If no resolution is passed prior to the expiry of the Voting Period, the number of votes shall be calculated at the close of business on the last day of the Voting Period, and a decision will be made based on the quorum and majority requirements set out in paragraphs (e) to (g) of Clause 7.1 (*Authority of Bondholders' Meeting*).

- (vii) Notwithstanding any other provision of the Finance Documents to the contrary, the Bond Trustee is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- (viii) If the cost, loss or liability which the Bond Trustee may incur (including reasonable fees payable to the Bond Trustee itself) in:
 - (i) complying with instructions of the Bondholders; or
 - (ii) taking any action at its own initiative,

will not, in the reasonable opinion of the Bond Trustee, be covered by the Issuer or the relevant Bondholders pursuant to paragraphs (e) and (g) of Clause 8.4 (*Expenses*,

liability and indemnity), the Bond Trustee may refrain from acting in accordance with such instructions, or refrain from taking such action, until it has received such funding or indemnities (or adequate security has been provided therefore) as it may reasonably require.

- (x) The Bond Trustee may instruct the CSD to split the Nominal Amount of the Bonds to a lower nominal value in order to facilitate partial redemptions, depreciations or restructurings of the Bonds or in other situations where such split is deemed necessary.

8.3 Equality and conflicts of interest

- (i) The Bond Trustee shall not make decisions which will give certain Bondholders an unreasonable advantage at the expense of other Bondholders. The Bond Trustee shall, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- (ii) The Bond Trustee may act as agent, trustee, representative and/or security agent for several bond issues relating to the Issuer notwithstanding potential conflicts of interest. The Bond Trustee is entitled to delegate its duties to other professional parties.

8.4 Expenses, liability and indemnity

- (i) The Bond Trustee will not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Bond Trustee shall not be responsible for any indirect or consequential loss. Irrespective of the foregoing, the Bond Trustee shall have no liability to the Bondholders for damage caused by the Bond Trustee acting in accordance with instructions given by the Bondholders in accordance with these Bond Terms.
- (ii) The Bond Trustee will not be liable to the Issuer for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless caused by its gross negligence or wilful misconduct. - (v) The Issuer is liable for, and will indemnify the Bond Trustee fully in respect of, all losses, expenses and liabilities incurred by the Bond Trustee as a result of negligence by the Issuer (including its directors, management, officers, employees and agents) in connection with the performance of the Bond Trustee's obligations under the Finance Documents, including losses incurred by the Bond Trustee as a result of the Bond Trustee's actions based on misrepresentations made by the Issuer in connection with the issuance of the Bonds, the entering into or performance under the Finance Documents,

and for as long as any amounts are outstanding under or pursuant to the Finance Documents.

- (vi) The Issuer shall cover all costs and expenses incurred by the Bond Trustee in connection with it fulfilling its obligations under the Finance Documents. The Bond Trustee is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents. For Nordic Financial Institutions, and Nordic governmental issuers, annual fee will be determined according to applicable fee structure and terms and conditions presented at the Bond Trustee's web site (www.nordictrustee.com) at the Issue Date, unless otherwise is agreed with the Bond Trustee. For other issuers a separate Bond Trustee Agreement will be entered into. The Bond Trustee's obligations under the Finance Documents are conditioned upon the due payment of such fees and indemnifications.
- (vii) The Issuer shall on demand by the Bond Trustee pay all costs incurred for external experts engaged after the occurrence of an Event of Default, or for the purpose of investigating or considering (i) an event or circumstance which the Bond Trustee reasonably believes is or may lead to an Event of Default or (ii) a matter relating to the Issuer or any of the Finance Documents which the Bond Trustee reasonably believes may constitute or lead to a breach of any of the Finance Documents or otherwise be detrimental to the interests of the Bondholders under the Finance Documents.
- (viii) Fees, costs and expenses payable to the Bond Trustee which are not reimbursed in any other way due to an Event of Default, the Issuer being Insolvent or similar circumstances pertaining to any Obligors, may be covered by making an equal reduction in the proceeds to the Bondholders hereunder of any costs and expenses incurred by the Bond Trustee in connection therewith. The Bond Trustee may withhold funds from any escrow account (or similar arrangement) or from other funds received from the Issuer or any other person, and to set-off and cover any such costs and expenses from those funds.
- (ix) As a condition to effecting any instruction from the Bondholders the Bond Trustee may require satisfactory Security, guarantees and/or indemnities for any possible liability and anticipated costs and expenses from those Bondholders who have given that instruction and/or who voted in favour of the decision to instruct the Bond Trustee.
