

Pet journey - Copenhagen-Frederikshavn-Oslo route

Booking your travel with pet

Passengers can only bring pets if they **book a pet friendly cabin***.

Please note that the **pet fee is season dependent**.

Bookings with pets must be done **via the Contact Centre**.

*If travelling with an assistance dog, it is essential that you notify DFDS and that the dog complies with the Pet Travel Scheme. There is no fee to bring your assistance dog onboard.

Preparing for your travel with pet

Before your trip with your pet please make sure you have all the **documents/pet passport** needed for your pet to travel and you **comply with all legal requirements** of the country you are travelling to.

Make your **pet happy** by bringing their own **familiar toys, enough food and water**.

Before arrival to the terminal

We recommend to **walk your dog** in **nearby parks** and let them go to the **toilet** before arriving at the terminal.

We advise checking with your **vet** if your **pet is healthy to travel**.

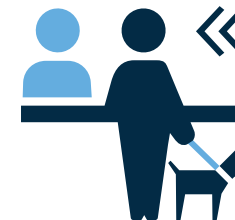

Check-in

Please be ready to **present your pet passport** at the check-in.

If you are travelling as a **foot passenger or with vehicle**, you can bring your **pet only to the cabin**.

Onboard

Please make sure that your pet is **in the kennel or has leash and muzzle on**.

Pets cannot access public areas, but can go to **designated areas** and use the toilet here.

Pets are **not allowed on the beds**.

Please **bring your own litter box** for cats/ferrets.

 Make your **pet happy** and **always ensure** there is: **adequate ventilation**, enough **food and water**, **space for your pet** to move around, **familiar toys** and **absorbent bedding**.
