## Our Groups

It is lovely to see our groups continuing to be very busy. A big warm welcome to our new starters who have joined our groups this year.

Nicki from Edinburgh came to talk to us about her research project.

## Football World Cup...

A big Thank you to Jim and Jacky for filling in our football score chart each week 🙌

The image shows a 'WORLD CUP WALLCHART 2026' with a grid of 12 group tables (A-L) and a 'WORLD RANKING OF QUALIFIED TEAMS' section at the bottom. Each group table lists teams, matches, and scores. The ranking section lists 32 qualified teams with their respective rankings and flags.

Our small conversation group spent a lot of time revamping the café notice board... Thank you to everyone who helped bring this project together 🥰

It looks amazing 😊

## June was Rocking Aphasia Month...

Thank you to everyone who decorated a rock and put it somewhere to bring awareness to Aphasia 😊

A big thank you to Kat for putting them on the map.
