NETA Aphasia Support Centre - Update

The café continues to be well attended. Members enjoy catching up, playing card games, dominoes and jigsaws.

This creates a lovely relaxed atmosphere where vou can also eat delicious cakes!

Floral Crafts

A relaxed group led by Heather, they created some beautiful arrangements which were both big and small.

One member commented "It's a very good group with friendly people." It's then no wonder it's so popular.

Large and Small Communication Groups

As well as practising communication skills, it is a chance to make new friends. Both groups are well attended. Helpers with or without aphasia ensure everyone gets involved. Tailored activities include current affairs, local landmarks, sport and general knowledge. One member comments "The group is relaxed and really good as it's a challenge!"

Family and Friends Course

13 people signed up for this course which aims to give practical coaching to make conversation with people who have aphasia a little easier. In the sessions, we were talking about everything to do with living with aphasia from how the brain works to tips on routine strategies to help avoid difficulties. This time, we filmed the course thanks to additional funding from Tavistock Trust for Aphasia. We will use the film to make a learning resource for our student speech and language therapists.

Christmas Celebration

NETA members, their families and trustees planned a wonderful afternoon filled with food, laughter and merriment.

The Magenta Singers perform some beautiful seasonal songs and old favourites, which will get members into the Christmas spirit. It will be great to see you there!

Younger People with Aphasia

This is for people under 50 years old to share ideas about managing everyday life with aphasia. We have about 3 meetings a year at NETA.

Several members have continued to meet up outside of NETA. They have met at the Badger Pub in Ponteland and for a Christmas meal in Newcastle.

The next meeting at NETA will be on 17th January. Watch out for details on the Younger People's What's App and Facebook groups.

Magenta Singers

A group of NETA members, along with other people in the region who have aphasia, sing every **Monday afternoon** at the **Magenta Singers**, **Sage Gateshead.** This is for people with aphasia. The group leader and helpers are trained in aphasia support.

Magenta Singers sing old familiar songs, so that the words come along with the tune using a different part of the brain.

For anyone out there who ever enjoyed singing , come and try it. Feel good about your voice.

You will find details on the SageGateshead website.

At the same time as the art group, you could be learning how to make art by iPad! Our iPad user group will be supported by our assistant Kerry. If
