# Choose tortilla wraps from Santa Maria. Because **quality pays off.**

*Load them, stuff them, fold them, roll them. The Santa Maria tortilla wraps don't crack.*

## **Quality** enables versatility.

*Tortilla wraps that don't crack is key to get the great versatility this kind of bread can offer.*

### **AROUND THE CLOCK**

From lunch wraps to late night quesadillas.

### **WORLD WIDE WRAPS**

From Flank Steak Fajitas of South America to East Asian Bulgogi Wraps.

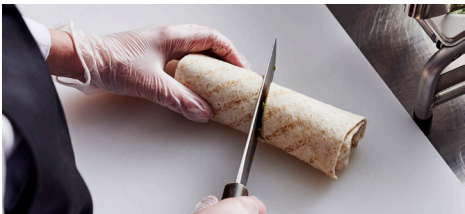

### **GREEN AND GOOD**

From indulgent Mushroom Quesadillas to functional Rainbow Wraps.

## **Quality** powers sustainability.

*Less cracked tortilla wraps means less food waste and more sustainable options.*

### **LESS FOOD IN THE BIN**

As the Santa Maria tortilla wraps can be rolled and folded without breaking, they help you minimise your food waste.

### **ALIGNED WITH CURRENT GUIDELINES**

All Santa Maria tortilla wraps are aligned with the latest salt level guidelines and they contain no added sugar.

### **MADE IN A CARBON NEUTRAL FACTORY**

Our tortilla factory in Milton Keynes is certified carbon neutral thanks to reduced emissions and compensated unavoidable emissions.

## **Quality** brings value.

*Reliable tortilla wraps bring true value to your business and your guests.*

### **SPEND TIME AND MONEY WISELY.**

By using quality tortilla wraps that don't go to waste you get more bang for the buck. It's also a way to avoid costly and frustrating time thieves.

### **KEEP COSTS AND PRICES DOWN.**

Versatile tortilla wraps help you do more with less. By keeping less items in stock, you can optimise your kitchen economy and keep the prices down to attract more guests.

### **WHAT OUR CUSTOMERS SAY ABOUT SANTA MARIA TORTILLAS:**

*"Very good wraps that don't rip or tear"*

*"Less wastage and more even sizes"*

*"A good reliable product that has never let us down"*
