FCC logo guidelines

Our logo is bilingual and uses stylized text that contains both of our acronyms – FCC and FAC.

COLOUR
Our brand colour is Pantone 541.

FCC Blue
Pantone 541
CMYK 100, 58, 9, 46
RGB 0, 62, 107
HEX #003E6B

LEAVE SPACE
Ensure there's enough space between the FCC logo and anything else, including other logos.

AVOID
Keep the FCC logo proportions and colour true to the original form and avoid these common mistakes of unacceptable logo presentation.

Avoid adding borders

Do not adjust tab opacity

Avoid skewing

Do not change colour

Use the entire logo

Do not add other elements

Avoid cropping
