

FACTORY LIST

INFORMATION CORRECT AS OF 31/03/2022

We are one community, from supply chain to squat rack.

We promise to stay transparent on the factories we use, so we've published our full vendor and factory list. Not only is it a key step in strengthening our human rights due diligence*, but we also want our community to be able to see where all of our products are manufactured.

*"Human rights due diligence" means any actions we take to identify and act upon human rights risks for workers in our operations, our supply chains and the services we use.

If you have any questions, get in touch with transparency@gymshark.tech or take a look at our **Modern Slavery Statement** for more info.
