Venue-wide

Digital Signage

Wayfinding

Dimensions W x H (px)	1000 x 1000 (logo)
File Type	JPG

Please note
Directional signage is displayed throughout the venue to help your attendees find your event space. Your event name (up to 50 characters), logo and location will appear on these signs.

Door Cards

Dimensions W x H (px)	1000 x 1000 (logo) 1080 x 1920 (custom content)
File Type	JPG

Please note
Doorcards are displayed outside your event space (excluding Exhibition Bays) showing your event logo and session details. Please contact your Event Planner about customising your artwork.

Lecterns

Dimensions W x H (px)	1080 x 1920
File Type	JPG

Please note
All lecterns in the venue feature a digital screen. Please contact your Event Planner about customising the display with your artwork.

Artwork Guidelines

- Avoid excessive text and ensure the design is easy to digest by passers-by.
- Maximize the space, use event branding and colours to distinguish the event.
- Avoid white backgrounds, as they look too bright and harsh.
- Due to VicRoads safety restrictions, fast moving animations are not permitted for outdoor signage.
- All artwork published is at the discretion of MCEC and must be suitable for a wide audience including children.

Your event can appear in the What's On Today section of our digital screens — a great way to welcome your delegates. If you've booked the full centre, you may be eligible for a full screen takeover. Chat with your Event Planner to find out more.

Signage Specifications

Signage in your licensed area is included free of charge, and your Event Planner can help you choose what works best. You'll just need to organise printing and installation.

Want to add signage outside of your licensed area? Additional fees may apply and space is limited. Chat with your Event Planner to see what's possible.

Digital Signage

Terms and Conditions

Approvals and Availability

Your event signage and advertising is subject to availability and approval by MCEC.

Inside your licensed space

Event signage and advertising within your licensed space, including foyers/concourse, is complimentary. Installation on the concourse can only take place between 1900 and 0700, this may be restricted to allow for other events taking place during that time. Confirm with your Event Planner.

Outside your licensed space and tenancy time

Event signage and advertising outside your licensed space and/or tenancy time is available at a daily rate fee listed at the end of this document.

- For outdoor signage, the rule is first in, best dressed.
- For indoor signage, pending other events taking place in the venue, MCEC may permit signage to be installed:
 - Earlier if the space is available.
 - Outside your licensed space if the other organisers in your area of interest are not using all the signage opportunities within licensed space (foyers, concourse) at least one month prior to your event. MCEC will inform you of the decision in writing one month prior.

Approvals rules

- All signage and advertising are to be submitted to your Event Planner for review no less than six weeks prior to the commencement of your event (plan, positioning, and artwork).
- Obscene, indecent, inflammatory, pornographic, misleading, deceptive, nudity, malice, swearing or potentially defamatory material is not permitted.
- Promotion of racist, violent, sexual, religious or political messages is not permitted.
- Installation methods to be used (e.g. -adhesive) are subject to approval.

Responsibilities

It is your responsibility to:

- Arrange for the design, printing, delivery, installation and removal of all your signage within the agreed contracted time with the exception of outdoor signage and where specified in this document.
- Ensure that the installation within or outside your licensed space does not cause disruption to other events in the venue.
- Ensure that your signage does not impede access or exits to the venue, block fire hose/hydrant locations, safety signage, CCTV.

Charges

- Any signage and advertising cancellation outside your licensed area will incur a 10% fee and a 100% if notified less than one month prior to your event.
- Failure to have all event signage removed on the last day of event tenancy will incur charges.
- Any damage caused by the installation or removal of signage will incur charges.
- Any -adhesive residue will incur cleaning and/or repair charges.

Application of the Terms and Conditions

- These Conditions form part of the MCEC Licence Agreement between MCEC and the Licensee and apply to all event signage and advertising transactions entered into between MCEC and the Licensee in connection with the Event. By executing the MCEC Licence Agreement, the Licensee agrees to be bound by these Conditions.
- Unless stated otherwise, all capitalised terms used in these Terms and Conditions have the meaning given in the MCEC Licence Agreement.
- Unless otherwise agreed by MCEC, the event signage and advertising must only be used for the purpose of promoting the Licensee’s licensed Event.
- Notwithstanding the approval of any material by MCEC, MCEC may give the Licensee written notice requiring the material to be removed immediately if MCEC considers that any material breaches these Terms and Conditions or the MCEC Licence Agreement. If the Licensee does not remove the material in accordance with this clause, then MCEC may remove the material and the cost of such removal will be a debt due and owing by the Licensee to MCEC.
- To the extent permitted by law, MCEC is not liable for any damage to materials that occurs while the materials are located at the venue.
- For the avoidance of doubt and without limiting any other provision, the Licensee’s obligations with respect to insurance, indemnities, use of the Centre and occupational health and safety under the MCEC Licence Agreement apply to any activity undertaken by the Licensee under these Terms and Conditions.
