

Foster Parents Needed.

Help our community's youth by becoming a foster parent.

It doesn't take a ton to change a lot! There are 8,500 children in foster in care, but only 5,000 foster homes in Kentucky. The children are in foster care at no fault of their own. They've just been dealt a not-so-good hand and it's people like you that can help them! If you have a heart for change and space in your home, becoming a foster parent can change a child's life forever.

Becoming a foster parent is simple and takes 60-90 days. Here's the step-by-step process.
