

1. Introduction

- 1.1. The terms of this document only apply to Nets' delivery of the Click to Pay Service to the Merchant. The General Terms also apply.
- 1.2. Nets shall only deliver the Click to Pay Service to the Merchant if it is comprised by the Agreement as a Payment Method.
- 1.3. This document forms an integrated part of the Agreement.
- 1.4. In case of discrepancies between the text of the Special Terms and other parts of the Terms and Conditions, the interpretation priority order set out in section 1.1 of the General Terms shall apply.

2. Definitions

- 2.1. The defined terms in the Agreement and the General Terms shall have the same meaning in this document unless otherwise is stated.
- 2.2. The following terms are defined in this document:

Click to Pay

A payment method provided by Schemes which allows the Merchant to accept payments from End Customers using an enrolled card in a Click to Pay Account.

Click to Pay Account

An account service provided by Schemes to End Customers for storage and retrieval of enrolled Payment Instruments to via their phone or other supported devices to pay with payment cards at Merchants which have implemented and enabled Click to Pay Service.

Click to Pay

The Service to be delivered by Nets as set out in Section 3.1.

Scheme(s)

Means Mastercard and Visa in these Special Terms.

3. General

- 3.1. Nets will in respect of delivery of Click to Pay to the Merchant, (i) ensure that payment with Click to Pay is available as a payment method in Netaxept payment window, and (ii) transfer of payment information between the Merchant and Merchant's card acquirer (collectively the "Click to Pay Service").
- 3.2. Nets may with immediate effect suspend or terminate delivery of the Click to Pay service if the Merchant breaches these Special Terms or if Nets is instructed to do so by Schemes.

4. Click to Pay Service

- 4.1. The Click to Pay Account is not in itself a payment instrument but can be used to complete payments with the payment cards enrolled in the account. The type of transaction depends on the type of payment card enrolled and selected in the Click to Pay Account. Nets receive tokens issued by the Schemes used for initiating the payment with Merchant's acquirer. The payment is processed by Merchant's acquirer as a card payment.
- 4.2. Nets' Click to Pay Service does not in itself include acquiring of the payment transactions made with Payment Instruments selected in the Click to Pay Account.
- 4.3. Transactions made with the Click to Pay Service will be acquired by Merchant's acquirer under a separate agreement and in accordance with the terms and conditions agreed for acquiring of the payment card in question.

5. Liability and indemnification

- 5.1. Each Party is liable for its acts and omissions pursuant to this document in accordance with applicable law with the changes set out in the Agreement and below.
- 5.2. Nets has no liability for:
 - a) the operation and functionality of Click to Pay
- 5.3. Merchant is responsible for following Schemes' branding standards when including references to Click to Pay on their website or e-commerce platform.
- 5.4. The Merchant shall indemnify Nets in respect of any costs, fines and fees imposed on or any other claims brought against Nets by Schemes as a result of circumstances attributable to the Merchant, including such fines and fees imposed by Schemes based on the Merchant's breach of Scheme rules.

6. Personal data

- 6.1. Neither Party is processing personal data on behalf on the other Party in connection with Nets' delivery of Click to Pay Service to the Merchant. Thus, each party shall be considered as data controller for their own processing of personal data and as such be responsible for ensuring compliance with the obligations under applicable data protection legislation.
- 6.2. Information on Nets' general handling of personal data is stated in section Data Protection of the General Terms.
