

# Organisational Values

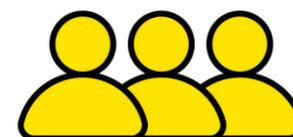

## Respect

We value everyone, their ideas and opinions and treat our people, and partners with dignity, sensitivity, and professionalism. We are committed to creating a safe, supportive, and inclusive environment for all and building strong relationships with students and stakeholders.

## Innovation

We actively seek and encourage new ideas and ways of working, embracing change. In a changing environment, we look for opportunities to deliver the best experiences and services to meet the needs of our staff, students, communities, and stakeholders.

## Collaboration

We achieve more when we share and work together as a team. We strive for inclusivity, actively looking for diversity of ideas, perspectives, and people to achieve our purpose in partnership with others.

## Honesty

We communicate and behave with clarity, transparency, timeliness, and relevancy. We do and mean what we say and build trust through accountability and honest relationships.
