

USU's PRESIDENT REPORT:

AUTHOR: Nazanin Sharifi
MONTH: September 2023

In September, we inaugurated the USU Festival of Creativity to celebrate the creativity, and artistic impression of our members. It was heartening to see the enthusiasm of our participating Clubs and Societies. I am looking forward to later iterations of the festival to continue celebrating the immense talents of our members. Thank you particularly to our USU Student Programs and Marketing teams for making the event so successful.

As we draw closer to the Voice Referendum, the USU hosted its last Speaker Series for the year with Professor Rick Macourt to shed light on Indigenous advocacy and how our members can get involved.

The Board's focus has been ensuring that student voices and concerns are permeating through all our work and in our interactions with the University. We will continue our advocacy in ensuring the future and sustainability of FoodHub and create strategies to ensure the cost of living crises is mitigated for our members.

If you have any questions, concerns or feedback please do not hesitate to reach out to me on president@usu.edu.au.
