USU BOARD OF DIRECTORS

What is the election all about?

The University of Sydney Union (USU) is the University's student association – run by students for students. The USU provides all the things you love about campus life (like Welcome Week, clubs and societies, parties, gigs and fab food).

We're at the heart of campus life and we aim to provide the best university experience in Australia. 11 Directors on our Board are elected in May who represent the members in making decisions about the operational and strategic business of the USU.

Between Monday 6 and Friday 10 May 2024, the USU will hold its Annual Elections to elect five new Directors, two of whom must be wom*n identifying or gender diverse. These elections are your chance to have your say on the future of the USU!
