

AVC Catch-up Payments

You can make a payment to catch up on your automatic contributions to your AVC account for the current year.

▶ You are eligible to make catch-up payments if:

- You currently contribute to an AVC contribution plan either through pre-authorized debit or payroll deduction (if the AVC payroll deduction option is provided by your employer). If you're not already making automatic contributions, you will have to start your automatic contributions before making any catch-up payments. The most convenient way to do this is through myOMERS or you can complete the paper *AVC Automatic Contribution Plan Registration* form.
- You started automatic contributions partway through the year or you haven't been contributing your biweekly or monthly maximum for automatic contributions.
- You haven't reached your annual maximum limit for the year.

Annual maximum limits/maximum catch-up payments

Automatic contributions have annual maximum limits that are based on contributory earnings and credited service and take into account the pension adjustment (PA) reporting rules. These limits are in place to help ensure your contributions do not exceed PA limits.

Your maximum catch-up payment takes into account your annual limit, prorated by the number of months you've been eligible to make automatic contributions, as well as any automatic contributions you've already made throughout the year. Your maximum amount is calculated each time you apply to make a catch-up payment.

You can find out what your maximum catch-up payment amount is by logging in to myOMERS or by calling OMERS.

▶ Making a catch-up payment

- The minimum catch-up payment is \$20.
- For members using pre-authorized debit to make automatic contributions, catch-up payments can be made by using the same pre-authorized debit account or by cheque.
- For members using Employer Payroll Deduction to make automatic contributions, catch-up payments can be made by cheque.
- You can make more than one catch-up payment throughout the year provided the amount doesn't exceed the maximum determined by OMERS (see above).

There are two ways to make a catch-up payment:

1. The most convenient way is online through the myOMERS secure member access site – to login or sign up for myOMERS, visit www.omers.com and click on myOMERS. Your maximum catch-up amount is provided specifically for you - you don't have to call OMERS; or
2. Complete the *AVC Catch-up Payments* form. You will have to call OMERS before completing the form to get your maximum catch-up amount.
