Dear Jack and Trevor,

Your ongoing commitment to abused and neglected children in Southwest Florida is very much appreciated. We are also pleased to learn that you have once again pledged your support to the Bobby Nichols Fiddlesticks Charity Foundation (BNFCF), adding to your history of giving which currently totals over \$180,000. This amount represents countless lives that have been affected and changed all for the better.

Your pledges year after year to the BNFCF are a true testament to your generosity and conviction for a very important cause. Thank you for your support of the children in our community who so desperately need our aid. It is through the help of businesses and people such as yourselves that those who are less fortunate now have a champion in their corner. They are safe, they are loved and they will face a future that is far brighter than they ever could have imagined!

The BNFCF is proud to have you as a sponsor and partner, as we tirelessly work to put an end to child abuse and neglect.

With Sincere Gratitude,

A handwritten signature in black ink that reads 'Michael Lancellot'.
