I write to you on behalf of Marcial Boo, IPSA's CEO. Please may I draw your attention to the **IPSA Bulletin** found at this link:

<https://www.theipsa.org.uk/media/185416/bulletin-11-07-2019.pdf>

As requested some months ago, IPSA has now informed all MPs and their staff that **sanitary products** are eligible under the Scheme.

We hope that you find this update helpful.
