INDEPENDENT PARLIAMENTARY STANDARDS AUTHORITY VOTE ON ACCOUNT 2020-21

INTRODUCTION

VOTE ON ACCOUNT FOR 2021-22

Schedule 1, paragraph 22 of the Parliamentary Standards Act 2009 requires the Independent Parliamentary Standards Authority to submit to the Speaker's Committee each financial year an estimate of the Authority's income and expenditure.

The Vote on Account provides finance to allow existing services to continue during the early months of the coming financial year, pending Parliament's consideration of the Independent Parliamentary Standards Authority's Resource Estimate for 2020-21

The Vote on Account is presented in resource, capital and cash terms. The amounts are normally a standard 45% of the amounts already voted for the corresponding services in the current year, taking account Main and Revised Estimates where appropriate. This amount should be sufficient to ensure that funding is not exhausted before the Supply and Appropriation Act is passed in the summer, but not so high as to prejudge Parliament's consideration of the main Supply Estimate.

This Vote on Account booklet – together with those for other independent organisations (National Audit Office, Local Government Boundary Commission for England, Electoral Commission and House of Commons Administration – will be incorporated into a Supply and Appropriation (Anticipation and Adjustments) Bill alongside the central government booklet covering departments. The Bill, once it achieves Royal Assent, provides budgetary cover for the resource and capital set out in this booklet and also provides statutory authority for the issue from the Consolidated Fund of the cash amount requested.
