## Frequently asked questions

**Q: How can I check my usage and/or manage my account?**

**A:** The easiest and most convenient way to keep track of your usage is online. Simply sign up, or log in to [ee.co.uk/myee](http://ee.co.uk/myee). You can then download the **My EE app**, or you can choose to text or call us on 150 (charges may apply).

**Q: What is a part free charge?**

**A:** If you reach the end of your allowance during a call, you will see a 'Part Free' charge on your bill. This just means we've charged you for the bit of the call that wasn't in your allowance.

**Q: How much have I been charged for calling 08, 09 and 118 numbers?**

**A:** Calls to 0800 numbers are free. For calls to other 08, 09 and 118 numbers, your charge is made up of an Access Charge of 50p per minute plus a Service Charge which is set by the company you are calling. Please see [ee.co.uk/ukcalling](http://ee.co.uk/ukcalling) for more details.

**Q: Why is my bill higher than normal?**

**A:** You may have bought extra services, exceeded your allowance or it could be the result of changing your plan or number. Please take a look to understand how your bill was calculated, and if you're still not sure, or you have a query, feel free to call us on 150 (charges may apply).

**Q: I don't recognise a charge on my bill?**

**A:** You may have bought a third party service or download (e.g. an app for your phone). The charges may appear in more than one line. You can read more about these types of charges at [www.ee.co.uk/help](http://www.ee.co.uk/help).

**Q: Do my charges include VAT?**

**A:** Charges on your EE bill are always shown without VAT. VAT is calculated on most charges, but we don't charge VAT on any usage made or received outside of the VAT territory of the EU, for insurance services or some 3rd party content. The total of your charges and applicable VAT will show on page 1 of your bill.

We always aim to give you the best service, however if we fail to do so you should call us on 150 (charges may apply). If we haven't resolved your complaint within 8 weeks, you may be able to refer the matter to an independent dispute resolution scheme for free. See [www.ombudsman-services.org](http://www.ombudsman-services.org) for more details.
